Dear Sam + Cecil;

Just received a letter from Ed and
Ill be darned if I know what to do.
I wrote to him dec 10th telling him that
I expect to graduate soon and that he
should write to me immediatly. Well, he
got my letter the 31st and answered me and
told me that he should be leaving around
the 21st of Jan. Now I don't know how to
get in touch with him. I am going to
enclose his letter in this. I hope he
received your letter telling him that
I am at Salt Lake.

I am now was put on the alert
this morning and expect to be shipped
out in a day or two to Kuns, Utah which
is about seventeen miles from here, for
a refresher course in Radio. I will stay
here for about a week and then come back
here for assignment. I think that I will
purposely fail a couple of tests out in
Kuns in order to wait untill he gets here.

that way I may be able to figure it out with Ed. By the way, do you know anyone in the Red cross? That may be the only way of my getting a furlough when he comes in.

How is everything at home? How are the Kids? How did you make out on the "Carmen Jones" benifit?

You can write to me at this address and it will be forwarded to me at Kerns.

So I'll say Regards to all

Love
Harry
