Hi Gang

From the looks of this stationary I guess you can imagin [sic] where I am going. I received my appointment to the air cadets, when I came back from my holiday weekend in town, and I haven't had much of a chance to write you since then.

I am now on my way to Nashville Tenn. I don't know how long I will stay there. This place in Nashville is a clasification [sic] depot. I guess I will take most of my exams there and, from there be sent out to whatever school they feel like sending me to.

I received a letter from Ed the other day and I let him know that I was leaving. He really is living the life of Riley now, isn't he? Boy, what I wouldn't do to be through with my training already

How is every thing at home? How are the kids? Have you heard from Fred?

I can't write much now. My handwriting was never anything to brag about but on a train it is even worse. Especialy [sic] the L & N. So

Regards and wish me luck

Love

Harry
