This is the first letter from Maxwell Field Atlanta. The paper has this insignia at the top

Sept. 8/42

Dear Sam + Cecil;

How are things and what's new. How are the kids? I received that letter that Arthur dictated. he must be getting to be quite a guy. How is he in school? Is it cold up north? it is pretty hot down here. In a way, I hope it stays like this for a couple more days. There is rumor going around, that the boys in primary are two and a half weeks behind schedual [sic], due to the bad flying weather. If that is true. I hope to get an eighteen day delay inroute. They arn't handing out any furloughs, due to an order that came out a month ago. By delay inroute I mean that they give you eighteen days to get to your new field, which is enough for me, even if they send me to california. Don't bank on it and don't tell pop yet. I will be through with preflight about the 23rd. So. I may be home for christmas. I hope.

Sam. I would like you to do me a favor. I want you to send me "Low man on a Totem Pole" and a copy of Poe's works. I have a couple of minutes before I turn in to read, and I am tired of physics.

(over)

Please forgive me for not writing more but I have to shave now and go to bed. I haen't made up my bunk yet and it is 9 o clock.

I am sending Pop a copy of preflight, for the last graduating class. I will have one of mine in a week or so. And I will send you one.

Keep Plugging and write soon.

Regards to All

Harry

P.S. Tell arthur that I will write him a personal letter when I get a chance to –

P.P.S. Send those books out soon – Please

Harry
